PROFILE: DAN CIMINELLI

Sweeper →

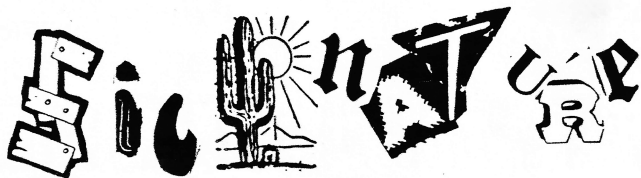

When most people think of the growing V.B. scene, they say it's cool that there are so many young kids getting into skating. Well, at age 12, Dan Ciminelli fits that description perfectly.

Dan skates everyday, and when he's not rippin' at Mt. Trashmore he likes to skate street and banks.

Dan's in 7th grade at Independence Jr, and when he gets older, he plans to enter contests and go to hot

ramps like KONA. His favorite tricks are inverts, backside airs, sweepers, and rock-n-rolls. When asked about the V.B. scene today, Dan says, "It's cool. A lot better than a lot of places. It's better than a couple of years ago, and it's picking up day by day." Dan's favorite junk food is cheeseburgers and root beer, and his favorite skater is Tony Hawk. Dan thinks the most mind blowing trick is the fingerflip backside, and his favorite locals are Al Midget, who influences Dan the most, the G-boys, and John Fudala. Dan rides a Neil Blender with Trackers and Powell cubics, and you can usually find him on most days rippin' on the small ramp at Trashmore.

INTERVIEW.

COREY
O'BRIEN

SANTA CRUZ

COREY O'BRIEN,
backside ollie
at CAB'S.

WHERE DO YOU LIVE?

14

In the best city in the whole fuggin' world, San Jose, in my grandma's garage, in a six man tent with two queen size beds and a stereo, heater, etc... Lots of people have stayed here, Spidy, Bill, Rich, Mike from Neb., Bill "Hate" Danforth, G.S.D., the Mosers, Peter "Kiwi" Giford, Steve Cab, too many to name.

HOW OLD ARE YOU?

I'm 18 years of age, life goes too fast.
DO YOU WORK?

Yes. I work at Der Wienerschnitzel hotdog restaurant. It's a cool job. I work with my friend Randy Moser. We terrorize on our cool boss Bob Fennet. We flip him off everyday when we pull up at work. He doesn't get too pissed. Neat betties work with us.

WHERE DO YOU SKATE MOSTLY?

John Fab's ramp: 20' wide, 20' flat, 8 1/2' high, 8' platforms, pool coping, (and shitty neighbors) Cab's ramp, lots of banks and curbs, Campbell ramp.

WHAT ARE YOUR FAVORITE RAMPS AND PARKS?

Parks: Winchester was the best!! Colton was great. Marina Del Rey, Campbell skatepark, Whittier.
Ramps: Cab's, Fab's, lots.

WHO DO YOU LIKE TO SKATE WITH?

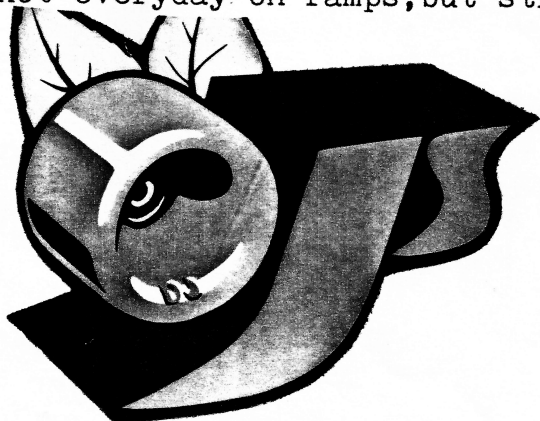

Spidy, Steve Cab, Pine tree boyz, G.S.D., Greg Aguilar, John Fab, John Insko, Grax, G.U.

WHO ARE YOU SPONSORED BY?

N.H.S. Santa Cruz & Indy, sorta. Santa Cruz are good to me, they are the only company that matters.

DO YOU SKATE EVERYDAY?

Yes. Maybe not everyday on ramps, but street or banks, yes.

COREY O'BRIEN
BACKSIDE AIR.

DO YOU LIKE STREET SKATING?

Yes, I love skating curbs or banks.

WHAT ARE YOUR FAVORITE MOVES?

Gay twist, Elgereos on curbs, "droppin' in".

WHO INFLUENCES YOUR SKATING THE MOST?

Mike Smith has that harsh style, he might not place that high in contests, but he has got a great style. Also John Gibson, Rosco when he skates.

COMMENT ON YOUR SCENE(S.J.):

We have a cool scene. So many skaters, I only know about half of them. Lots of ramps, lots of rippers.

LAST COMMENTS?

Support the best, Santa Cruz. Build ramps. Don't go to the beach! S.S.G. will see anyone on the streets. Four skaters only, Grax, Shirk, G.O., Casey. See you there!! It's a swindle.

Thanx Corey!
